Steep a relaxing herbal tea or prepare light & fluffy couscous with an adjustable **hot water dispenser** that provides precise temperatures and measurements.

Leave the measuring cups in the drawer with a **Precise Fill setting** that dispenses an exact amount of water with just a touch.

Use your voice or **smart device** to preheat water from your refrigerator while you relax in another part of the house.

Keep key ingredients fresh and within sight with a full-width, electronic, **temperature-controlled drawer** that uses an LED colored lighting system.

Food remains fresh longer with **TwinChill™ evaporators** that accurately maintain and control separate freezer and refrigerator environments.

Display groceries like a gallery with **showcase LED lighting** positioned throughout the interior to spotlight your favorite foods and containers.

Easily fill tall glasses and pitchers using a **stainless steel dispenser** with pullout tray that is designed to hold larger containers.

Add extra space right inside the door with a **drop-down tray** that makes storage simple.

Display pictures on the fridge in a whole new way with a built-in a **color LCD screen with photo upload**.
