FEATURES & BENEFITS

Create dinners and desserts at the exact same time - From everyday gourmet meals to large dinner parties, achieve impressive results with two independent ovens with a total capacity of 6.7 cu. ft. for true cooking flexibility, along with the accurate heat circulation of True European Convection with Precise Air in the lower oven

Command your cooking with a compelling display - Control every detail of every meal you cook with a brilliant digital temperature display and easy-to-use electronic touchpad

Enjoy total control in the kitchen and beyond - Control your oven with your smart device or simply your voice using WiFi Connect

Expansive six-burner cooktop helps you entertain with ease - Entertaining for large groups is easy with the industry's first six burner, edge-to-edge cooktop that can accommodate cookware of all sizes and a cast-iron integrated griddle that provides enough room to perfectly flip crab cakes, arepas and other crowd favorites

Share favorite creations with your favorite people - Create an unforgettable dinner, using a 21K tri-ring burner to do everything from searing scallops to simmering a lemon caper white wine sauce and a 15K power boil burner to boil water quickly for al dente angel hair pasta

Prepare foods to perfect doneness - Get roasts and meats just right with a temperature probe that lets you monitor progress without opening the oven door

Never scrub racks - Easily remove everything from heavy roasts to delicate desserts with never scrub racks that stay in the oven during the self-clean cycle
